

CULTIVATING POSITIVE CLASSROOM CLIMATE HIGH SCHOOL

ENHANCING KNOWLEDGE, EFFICACY AND PRACTICES FOR EDUCATORS

The new Cultivating Positive Classroom Climate - High School ECHO supports teachers and administrators serving the 9th-12th grades. An expert team will guide high school educators toward building stronger student-teacher relationships, promoting student prosocial behavior, enhancing student sense of belonging, and increasing student engagement in learning. This ECHO's interactive and collaborative online learning sessions will be held the **first Wednesday of each month from 4-5 p.m.**

TOPICS FOR LEARNING AND DISCUSSION

- Praise for Positive Behavior
- Support the Emotional Needs of Students
- Positive Emotions in the Classroom
- Use of Effective Discipline
- How to Cultivate a Classroom Community
- Positive Teacher-Student Relationships
- Connect Students to School
- Affective Engagement
- Student Voice/Leadership
